

MATC FISHING DERBY

March 2, 2013

Matthias and Sebastian Gattey were the winners of the MATC Fishing Derby, by catching a couple of bass just outside of Grants Pass. Their secret spot produces fish practically all year round. Of course the real secret is to spit on the lures just before casting them into the pond.

Matthias and Sebastian Gattey with their nice catch of the day.

Sister Elise gets in on the fun and contemplates whether to eat the fish raw or to wait for the charcoal to glow.
